PACKAGING

Reed Wax Restoration and Conservator waxes are available in small slabs.

ORDERING INFORMATION

Reed Wax office hours are Monday through Friday from 8:00 AM to 5:00 PM (EST). The standard lead-time for in stock items is two business days. All orders are shipped FOB, Reading, MA. UPS shipments are prepay & add. There is a \$25.00 and 5 lb. minimum per formula on all orders. Cash, Money Order, MasterCard and Visa are accepted.

SAFETY

Wax should be melted in double boiler or encased, jacketed fryer to prevent overheating and volatility.

It is very important that you read and understand the MSDS (Material Safety Data Sheet) for all products you work with. An MSDS provides you with specific information on how to safely use the product. If you require an MSDS for a Reed Wax product you have purchased, please call us at (781) 944-4640 and we will promptly provide you with one.

INFORMATION

Reed Wax has been a leading manufacturer of industrial and specialty waxes for over 65 years. We offer raw materials, custom-compounding and blends (ours or yours), water or solvent based emulsions, private labeling, and tolling. We can supply small lots to truckload or tank wagon quantities. Each year we ship to more than 2,000 manufacturers, distributors, wholesalers and retailers worldwide. Please contact us with your needs.
